

He is Risen

Good Morning, this is Michael De Rosa and today we celebrate the resurrection of our Lord and Savior. Did you catch that, my friends. We are meant to celebrate his resurrection. While chocolate eggs and marshmellow peeps are great to eat, there is nothing greater than experiencing the Power of his Resurrection.

Let's look at Matthew 28:6

He is not here, for He has risen

While we have uttered this scripture many times in our services, we are too often slow on the uptake of living in the experience of his power for we allow....
the weight of the world's problems to push us downward.

mark these word, my Christian friend:

WE ALLOW...

Why not, allow, the power of God, the same power that raised Jesus from the dead, the same power in you, to be manifest

Oh, my friends, there is power in praise.

So, as you worship today, CELEBRATE. CELEBRATE. Give Him the praise due his Name.

Let the power of His resurrection be birthed in you anew and afresh.

What would our world see when they see Christians living in the power of the resurrection.

He is Risen, He is Risen indeed
