

GOOD NEWS

Good Morning, this is Michael De Rosa, and I want to talk with you about thanksgiving.

Last Monday, I was reading in [the Psalms \(136\)](#) and came across these words:

Give thanks to the LORD, for He is good

In fact, e v e r y o t h e r line IS this. As the Psalmist reflects upon Israel's history, he punctuates each thought with these words:

Give thanks to the LORD, for He is good

Well, on that particular day I needed to be reminded of this, namely, that God IS good, and that He is good all the time.

Sometimes it just is far too easy to look upon our own history, and not forget to interlace it with a

Give thanks to the LORD, for He is good

And, so, as I go through my day today, I am going to be more mindful of this fact, and probably begin seeing things in a whole different perspective.

Regardless of our own histories, God is good. And maybe as we reflect upon that, many of our own struggles will be seen in a different light that could well give us that confidence to approach our day with a lot more hopefulness.
