

Thanks ☆

Good morning, this is Michael De Rosa and in light of thanksgiving day approaching want to talk on thankfulness for God's promises.

Sometimes, though we have seen our brothers and sisters struggle with this crying out, How can I ever be thankful for THIS problem!

Well, I think that Scripture can help us turn those struggles into stepping stones of thanks.

Listen to God Word from [2 Corinthians 1:20 New Century Version](#)

*The yes to all of God's promises is in Christ, and through Christ we say yes to the glory of God.*

My friend, we can so easily become led astray in our thinking to focus on the towering difficulties before us, instead, of centering our focus on Christ and on what He has done and is doing in and for us BECAUSE OF HIS SALVATION.

Namely, God did not make promises to his children apart from His salvation and when we become anchored in THIS reality, God will always give to us a heart felt spirit of thanksgiving REGARDLESS of life events.

Have a thankful day
